Last minute changes to the order will always be accepted by the Panel, at the sole discretion of the Party calling its witnesses.

5. By May 11<sup>th</sup>, 5pm, USADA will provide the Panel and the Parties with a list of the witnesses it intends to call for the first three days of the hearing, with the same conditions as contained in the previous paragraph.

6. USADA and Mr. Landis shall each have equal time to present evidence in support of their respective case, which will be discussed at the May 13<sup>th</sup> pre-arbitration conference referred to below.

7. After completion of the presentation of the evidence, each party will be provided with an opportunity to make a Closing Argument, which shall not exceed 90 minutes in length.

9. The parties have agreed to split the cost of a French interpreter. The parties will ensure that the French interpreter is available as needed during the Arbitration Hearing.

10. Additional interpreters, if needed, will be provided by any party who calls a witness who cannot testify in English or French.
